## HILO BUSINESS MEN WORK FOR HILO TOWN

Hilo, Dec. 31.—The third meeting of the business men of Hilo, interested in the reorganization of the Board of Trade, was held at 3 p. m. on Tuesday, December 29, 1908. Present, J. A. Scott, temporary chairman, Messrs. McKay, Lyman, Andrews, Wright, Medcalf, Nichols, King, Wilfong, Guard, Austin, Filler, Cabriniha, Williams, Vickers, Holmes, Richards.

Minutes of the previous meeting were read and approved, McKay acting as temporary secretary.

The report of the committee on By-Laws, signed by Holmes, Richards, McKay and Vickers—Castendyck absent, was submitted and read. It was then read, section by section, a few being amended, read as a whole and adopted. The principal features of the By-Laws are:

That the Association shall be called the Board of Trade of Hilo; its objects to promote the general welfare of Hilo and the island of Hawaii; entrance fee to be \$10.00 with dues of \$1.00 a month payable quarterly in advance; the Board of Directors to consist of a president, vice-president, secretary, treasurer and five trustees; the by-laws can be amended at any annual meeting or at a special meeting called for that purpose.

A vote of thanks was given the committee on by-laws for its good work, well done.

A resolution was read and adopted urging upon Congress the desirability and need for promptly completing the Breakwater at Hilo, and for authorizing such an appropriation as will enable the placing of another contract to this end.

A second resolution was read and adopted asking Congress to appropriate \$150,000 for the erection and construction of a Federal building in Hilo.

It was decided that a copy of each resolution be forwarded to Delegate Kalaniano'le, to Governor Frear, to Secretary Garfield and to the Chamber of Commerce and Merchants' Association of Honolulu, asking the endorsement of the two latter bodies thereto.

Inspector King, of the Department of Public Instruction, submitted plans of the proposed new Union School for Hilo, asking the help of the organization in getting the cooperation of the Legislature for the appropriation necessary to erect the building.

On motion of Austin it was decided that only those members who had paid their entrance fee and dues for three months could vote for the election of officers at the meeting to be held for that purpose on January 12, 1909.

Mr. Cabriniha stated that the Republican County Committee and the members of the new Board of Supervisors would meet on Saturday, January 2, and invited any of the gentlemen at the meeting to be present.

The meeting adjourned till Tuesday, January 12, at 3 p. m.

## CERTIFICATE

Being a state official and authorized to administer oaths and certify documents, I hereby certify that correspondence laid before me this morning from an Eastern city, states as follows: "A Dr. B., an old practitioner in this city, has had Bright's Disease for years, is bed-ridden, and is simply waiting his time. He has taken three bottles of FULTON'S RENAL Compound with more than the usual results. Wednesday, of last week, a brother physician called to see him. 'What was he taking,' Dr. B. replied, 'it is in the wine.' The Dr.'s real stuffer was, 'And so you are taking that stuff, too, are you?' I had a severe case of Diabetes in a patient who left this city and whom I expected to die. Yesterday I had a letter from him stating that he had taken FULTON'S Compound and was well."

The following report is made by another prominent physician in the same city, using FULTON'S Compound on an acute case of Bright's—'case is now on the second bottle with astonishing results.' Witness my hand and seal in evidence of the genuineness of this correspondence affixed at Oakland, Cal., this December 29th, 1907.

(Seal) T. C. LANDREGAN, Notary Public.  
No matter whether you call it kidney trouble, Nephritis or Bright's Disease, it is a case of inflamed kidneys and as the old time kidney medicines are kidney ex-citants, it is clear why they are futile. FULTON'S RENAL Compound is the first successful renal emollient thus reducing kidney inflammation which is now curable for the first time. Even the serious, supposed incurable forms yield.

## KAWAIAHAO HOOKUPU

Those interested in the advancement and prosperity of the school work of Kawaiahao Seminary yesterday afternoon crowded the handsome building with a variety of innumerable hookups, according to the old Hawaiian custom.

Besides those who are closely associated with the school, since its establishment on King street, a large number of old students availed themselves of the opportunity. They presented the school with books, pictures, potatoes, eggs, bananas, coconuts, awa root, plants, mats and other Hawaiian presents, some of which are very rare nowadays.

Mrs. Atherton presented a large photograph of the late Joseph B. Atherton and herself.

Uncle Nehemiah D. Sperry, the dean of congress, has announced to his constituents that he will not run for office again. He is 82 years old and will reach his eighty-fourth birthday before his present term expires.
